Omni-Droid is available for download from the Android Market Appstore and from Google Play Store for around US\$0.69. You will need to pay extra for the download and adb sideloading process if you do not have a computer already. You can use ADB to sideload the Omni GRAF app from Google Play Store.. OmniGravity was created using the android code of Omni-Droid as its base, and built in the android emulator, which means every bit of the code is available in the same package as Omni-Droid. To update this app, all you have to do was to install it along side the OTA update. You can install this by going to Settings > About device > About Omni-Droid and clicking on the download button provided. Now you will have to install OTA update from your phone's ADB port on your computer, as the download will run as a separate process. Once you have this done, you can click on the download button provided after the icon has been added to your device/computer and voila, the OTA update file will be downloaded.. : https://mega.nz/#!K0A0Mh5K!k-JY4rO_Y0pVcRpzJQ1R_H7yKF4X9V3YkvX8z4uWJ1Q (16/9/2017) (Android) https://mega.nz/#!ZKtT3JxI!jL7hx3BnD2p3U_K8j3o3oXg0p1j9b1cUWq7mEQdC8 (16/9/2017)

----- The Tower of God
----- You have been drafted into the "Tower of God" to be the greatest hero yet found (you aren't one just because you have a dragon on your arm) but with your new powers, you must deal with everyone's problems (as you know it all in one place) but also the evil god that is planning to make the world burn. In this story, you play as the hero which is being promoted by the hero's father, the commander who is a dragon king. You must defeat the evil god and the evil king in a way that suits his desires. ----- I will try my best to deliver good games. ----- The Tower of God is the sequel to an epic RPG in which the player takes control of the avatar of Jafar who is on an expedition to save his kingdom from the evil dragon, Dragon. The game's story follows a boy who goes out to save a town, but also comes up against many obstacles while on the journey. One of those is the evil dragon, known as Ra, who seems to care little for his own safety... the other is a dragon lord known as the King, who's wife is in love with his little dragon. When Jafar awakes in a new world, he finds that all his skills have been erased from him... he has become a hero with no memory of his past life. How will Jafar and his team deal with such challenges? What is the ultimate destiny of a hero? You, Jafar and your allies must find the path by which you can help from here.
